THE VULCAN ADVOCATE, WEDNESDAY, MAY 19, 1965

Vulcan, Alberta

52nd Year, No. 41

Arthur Jones New President Vulcan Lions

Arthur Jones was elected president of the Vulcan Lions Club at the last regular meeting, succeeding Roy Deal.

Other officers for the ensuing year are: Evan Williams, 1st vice-president; Howie Klippert, 2nd vice-president; J. J. Price, secretary; Richard Hammer, treasurer; Terry White, lion tamer; Elmer Wolochaty, assistant lion tamer; Dan McNiven, tall twister; Peter Schuler, assistant tall twister.

Directors of the club are Morley Scobie, Lawrence Haga, Brian Todd and Carl Steiner.

High Winds Cause Damage During Weekend

Extremely high winds Sunday and Monday of this week over all of Southern Alberta made things generally unpleasant as well as causing considerable damage to property and crops. At Calgary, wind gusts were measured at a velocity exceeding 70 miles per hour, while at Lethbridge gusts were as high as 92 miles per hour.

In the Vulcan area, reports of soil drifting being so severe that some crops will have to be re-seeded have been received from many parts of the county. Hail and rain fell in the Majorville district on Sunday, helping to prevent soil drifting in that area. At Milo, the school roof was damaged considerably by the wind, which was strong enough to tear three ventilators loose from the roof.

At Vulcan, shingles were ripped from the roof of the Legion Hall and some trees and fences were blown down. The swirling clouds of dust found their way into most homes and housewives now have their spring cleaning to do all over again.

Rural phone service was interrupted in most districts during the wind storm.

Constituency Convener At Reid Hill Meet

The regular meeting of Reid Hill WI was held Thursday, May 13 at the home of Mrs. W. S. Hill. The punctuality draw was won by Mrs. E. G. McPherson.

Mrs. John French, president was in the chair and conducted the meeting, assisted by Mrs. A. Sales, acting secretary in the absence of Mrs. Marshall, who was in hospital. The treasurer's report was given by Mrs. Kuykendall.

Mrs. Frank Little of Champion, Constituency Convener was present on her official visit, and was heartily welcomed by all.

Mrs. E. Deal was named to attend the Biennial convention at Edmonton in June as delegate from Reid Hill. Mrs. Kuykendall will also attend as a non voting delegate.

Members were reminded that the Constituency Conference will be held June 8th, in Champion and were urged to make every effort to attend.

Mrs. Little addressed the meeting and spoke most interestingly of the WI work in the far north. She also showed a number of pieces of handicraft from that area. The work was beautifully done and very interesting. She mentioned too that this being International Co-Operation Year, she suggested a "Link of Friendship" by WI branches in British Guinea and us. The Lady Aberdeen scholarships were also touched on. Mrs. (Continued On Page 7)

Hamilton Group Comes Here

Vulcan Youth Travel Group Will Go To Churchill, Man. In August

The 24 boys and girls from the County of Vulcan schools, comprising the Vulcan group chosen to participate in the Canada-wide Youth Travel Program this summer, will visit Churchill, Manitoba, for a week, it has been announced. They will leave Vulcan on Aug. 16.

At the same time, a group of 24 boys and girls from Hamilton, Ontario, will travel to Vulcan. Here they will be paired with county students who were recom-

Legion Auxiliary Hosts Busload Col. Belcher Patients

A busload of Canadian veterans of previous world conflicts whose wounds have forced them to treatment at the Col. Belcher Hospital in Calgary, enjoyed an outing last Friday when they were guests of the Ladies Auxiliary to the Canadian Legion, Branch No. 21, of Vulcan. Some of the visitors are shown above with Mrs. Nan Degenstein, president of the Ladies Auxiliary, and Marie Clarkson, secretary and Harris Matlock president of the Legion branch.

On arrival the 22 veterans were served refreshments, courtesy of

the local Legion branch and then departed for the Little Bow Pioneer Museum, some with canes, some in wheel chairs for a most enjoyable, nostalgic tour of old familiar sights. Their driver and recreation supervisor at the Belcher, Al Rutz, brought them back to the Legion where the ladies provided supper before the return trip. Incidentally, while here Mr. Rutz was able to look up an old wartime buddy, Hedley Munro of the Vulcan IGA with whom he served and made music overseas in the army. They had not met

since their return.

The visitors expressed pleasure with the hospitality shown them and hoped to be able to return again in the fall and see the crops being harvested. It is planned that an arrangement can be made to have the visitors taken by private cars on tours around the country at that time.

The bus used was one given the Belcher by a Calgary Lions Club for such trips as these. Originally the hospital auxiliary purchased an older model and since then they have received this new assistance.

Weather Remains Dry

Expect Seeding Will Be Completed This Week

RCMP Traffic Report For April

During the month of April there were a total of 125 traffic accidents which resulted in 41 persons being injured. This covers the area known as Southern Alberta.

There were no fatalities but the estimated property damage amounted to \$21,967. As a rule there is a lull during April in traffic accidents, possible because cautions used in winter driving are still being maintained, along with the fact that the summer traffic volume has not yet arrived. However, this is no indication that the accident rate has decreased. There are still damaged vehicles, and injured persons who have to endure hardship and suffering.

The Canadian Highway Safety Council have again proclaimed their check your vehicle program for the month of May. This is the month of change, including the weather, so will naturally remind car owners to check their equipment, such as rear view mirrors, horn, windshield wipers, lights, turn signals, tires, steering, brakes and exhaust system. With this equipment working properly, it should result in a safer vehicle and a real credit to the driver.

We have safe highways; so with safer vehicles it only remains for drivers to realize and accept their responsibility for the safety on our highways.

MONTH OF APRIL	
Fatal Accidents	Nil
Injury Accidents	21
Property Damage	63
Total	
Persons Injured	41
Prosecution from Accidents	20
Property Damage (est.)	\$21,967.00

Mrs. B. Cumming Dies At Calgary

Mrs. Bella Rachel Cumming, aged 54, of 2739 16th Ave. NW, Calgary, died May 14, 1965.

Born in Lethbridge, she had resided in Calgary for the past 30 years. She was a graduate nurse of the Calgary General Hospital and active in the Alumni Association and a member of Grace Presbyterian Church and the Gala Club.

She is survived by two daughters, Barbara J. and Bonnie J., both at home; two brothers, Ross McKay of Quesnel, B.C. and Mack McKay of Kelfield, Sask.; two sisters, Mrs. Earl (Hazel) Williams of Quesnel and Mrs. Angus (Jean) Cook of North Burnaby, B.C. She was predeceased by her husband, Robert G., in April 1963.

Services were held at Grace Presbyterian Church on May 17, with Rev. Ralph MacDonald officiating. Cremation followed. Foster's Garden Chapel of Calgary was in charge of arrangements.

Pioneer Farmer, Harry Burgess Dies At Age 82

An early homesteader of the district north of Vulcan, Harry Burgess of Vulcan died on May 11, 1965, at the age of 82 years.

Born in Peterborough, Ont., he came to this district in 1905 and in 1950 retired to Vulcan, residing here since that time. He was a member of the Alberta Wheat Pool.

Surviving are a niece, Mrs. Grace Dahl of Vulcan and three nieces in Toronto; one nephew, Bill Burgess of Vulcan, and his sister-in-law, Mrs. Fred Burgess.

Services were conducted by Rev. W. Dormer at the Vulcan United Church on Saturday, May 15, and interment was in the Vulcan cemetery. Pall bearers were Harry Washburn, Howard Tharle, Arthur Tharle, George Christie, Ray Onstad and Robert Hill.

The Vulcan Funeral Home was in charge of arrangements.

AARN Hears Talk On Fabrics

The monthly meeting of the Vulcan Chapter of the AARN was held on May 5, with 14 members and five visitors present.

It was decided to have a list of the chapter's hospital supplies sent to different organizations, so that the public could make better use of them.

Guest speaker Mrs. Gerry Snow gave a very interesting talk on Fashions and Fabrics. She also showed samples of different material and told of the durability and care of them.

The meeting was then brought to a close and lunch served by members of the chapter.

Ladies Golf News

Ladies Day at the Vulcan Golf and Country Club will be held every Monday. Tee-off times will be 2:00-2:30 p.m. and 5:00-5:30 p.m. rather than the one tee-off time as was previously announced.

The tournament committee urges all members to participate in club play-offs, entering their names on the score sheet posted in the kitchen. Qualifying score is to be turned in by 1st of July, and play-offs to be completed by August 15. Breakfast will be served Sunday from 9:00 to 11:00 a.m.

Ladies! Come and join us May 24.

Take time to laugh—it is the music of the soul.

Good Attendance At May Chamber Meeting

The Canadian Wheat Board, its history, purpose and function was described at the May meeting of the Vulcan District Chamber of Commerce by M. F. White, head of the Calgary office. The speaker outlined the agency's growth since its inception in 1935 and took part in a question and answer period following his address.

In other business in the meeting, held at the Vulcan Cafe corner with Greyhound Bus Lines and CPR in an effort to have a more logical schedule through Vulcan, indicates no improvement can be looked for at present.

It was moved that the Chamber support the town council in presenting the CPR brief on May 12 and share equally with the town in expense involved.

Promise of support to the County Band Association in its 1965 drive for funds was given and the committee to canvass town businesses was named. An objective of not less than \$500 was set and rather than this be a straight donation they are prepared to play a series of three

Saturday concerts in downtown Vulcan in June in addition to their regular annual concert at Hazel Cameron Elementary School June 5. (At present the collection for funds is going well with an estimate of over one-half of the objective already reached.) On successive Saturdays in June those merchants so wishing will be offering specials or draws.

Because of its interest to businessmen and farmers of the district, a full report of the Wheat Board address given by Mr. White, will be carried in next week's issue.

Would Hurt Towns

CPR Centralization Plan Opposed At Board Hearing

The CPR is showing "callous disregard for the public's welfare" in its bid to centralize their Southern Alberta operations at Lethbridge, said Martin Hoyt, legal counsel for the Town of Vulcan, at the board of transport commissioners' hearing in Lethbridge last week.

Centralization would not make the CPR more competitive, Mr. Hoyt maintained. The railway's big money-maker was carload freight and in this field they have a monopoly, which they would still enjoy despite the lowering of service standards. Farmers still live in rural communities, said Mr. Hoyt, and are entitled to service in those communities.

Also representing the Town of Vulcan at the three-day hearing were M. R. Morrison and Chamber of Commerce Secretary David Mitchell.

The CPR's application to close 27 rural agencies in the Lethbridge division was opposed by six groups. W. S. Russell, counsel for the County of Warner, said that the railway had an obligation to provide the best possible service and implementation of the scheme would allow the railway to circumvent this responsibility.

Mrs. J. Noble of Nobleford protested that the personal service given by the rural CPR agent could never be replaced by the long distance telephone.

E. E. Rice, counsel for the town of Milk River, called the CPR plan a theory that had not been proven by facts. If centralization was introduced and didn't work successfully, there was no assurance it would be suspended, he said.

The Blackie Chamber of Commerce, represented by Harry Fairbridge, claimed that the plan was placing too much reliance on the long distance telephone. In the Blackie district, the phones just didn't work when the wind blew more than 20 miles an hour, Mr. Fairbridge said.

Mayor Ernie Patterson of Claresholm charged that the CPR couldn't possibly give reasonably good service from a central office in Lethbridge when the territory to be covered was some 80,000 square miles with over 700 miles of track. If the scheme was approved by the transport commis-

Will Receive Veterinary Degree On May 21

Kenneth Wayne Orchard, son of Mr. and Mrs. Lawrence Orchard of Vulcan, has successfully completed five years of study and will receive a degree of Doctor of Veterinary Medicine at the Ontario Veterinary College, Guelph, Ont., on May 21, 1965.

DR. KENNETH ORCHARD

Ken was born and raised in the Vulcan district. He attended Reid Hill school for seven years and received the remainder of his high school education at the Vulcan County High. He graduated in June 1960, winning the Percy Haslam scholarship, but was unable to accept it because he was attending a university outside the province of Alberta.

In September, 1960 he entered Ontario Veterinary College. During the summer months of 1962 he blood-tested in the Vulcan County for Dr. Bernard Tenken. The following summer he worked at the Sunawagold Pet Hospital in Calgary under Dr. B. Tonken and Dr. Conrad Walsh. During the Christmas holidays 1963 he worked at the Northland Animal Hospital in Sault Ste. Marie, Ontario under Dr. Jim McDonald. That summer he worked for Dr. E. D. Hill at the Vulcan Animal Clinic and in September he went by train to Mexico with 100 head of registered Holstein cattle for Hays Auction Mart in Oakville, Ont., delivering them to the Mexican government.

Christmas holidays in 1964 he worked at the Ontario Veterinary College large animal clinic. The third year at University Ken won the award for the student with the most marked advancement during the first three years at college.

Dr. Orchard and his wife will be moving to Vulcan after graduation and he will practise in partnership with Dr. E. D. Hill at the Vulcan Animal Clinic.

Gives Talk On Trip To Mexico

The Vulcan Council of the CWL held its May meeting in the parish hall with 13 members in attendance. Director Rev. Father Marien opened the meeting with the League prayers. The president, Mrs. Joe Gerding, presided over a short business meeting, assisted by the secretary, Mrs. Angelo Murphy.

Mrs. Frank Wyatt, guest speaker of the evening, showed slides of a recent trip to Mexico. Her talk was very informative and the souvenirs were viewed with keen interest by the group.

Father Marien gave the ladies the privilege of listening to a recording of a mass sung in English.

Junior Band Members Excel At Annual Concert

The above happy young Vulcan and district musicians, members of the Vulcan County Junior Band are pictured following their concert during which they appeared as soloists and winners of trophies given out that night. In the back

row, left to right are Larry Priebe, Greg Daniels, Judy Haga, Ken Hartung and Joe Denbigh, winner of the Junior band scholarship to summer band camp.

Bottom row: Laurie Steiner, winner of the Fred DeJong trophy and

trip to summer band camp; Marta Gottenberg, Susie Giles, Sally Giles and Laurie McClellan. Five of these young people also play with the senior band which will be heard in concert June 5.

MILO

MOTHER-DAUGHTER BANQUET

The annual United Church Explorers Mother-Daughter Banquet was held Friday evening in the Milo United Church. Guests included Rev. and Mrs. Dormer, Vulcan; Mrs. Sylvia Jones, President of the Ladies Aid, and Mrs. Margaret Umscheid, past Explorer leader. Gwen Monner, mistress of ceremonies, conducted the following program.

Blessing, Brenda Rushfeldt; toast to the Queen, Gwen Monner; toast to the mothers, Diane Sukut; response, Mrs. J. Sinclair; mission study Summary, Delyce Silber-nagel; talk, Rev. W. Dormer.

Star Ceremonies— Graduation: Diane Sukut, Gail McKay, June Sinclair, Patsy Bartsch, Gwen Monner and Brenda Rushfeldt. Second Blue Star— Cathleen Fluter, Shannon Armstrong, Alayne Sinclair and Susan Healy. Second Red Star: Helen Horkoff, Delyce Silber-nagel, Norma Rushfeldt and Muriel Jean Black.

Diary Prizes: 1. Patsy Bartsch; 2. Diane Sukut; 3. June Sinclair; 4. Muriel Jean Black; 5. Cathleen Fluter.

Attendance Prizes: 1. Shannon Armstrong; 2. (tie) Diane Sukut, June Sinclair, Gail McKay; 3. Cathleen Fluter; 4. Patsy Bartsch; 5. Alayne Sinclair.

Also on the program were the following: Piano solo, Diane Sukut; Skit, Patsy Bartsch, Cathleen Fluter, Alayne Sinclair, Muriel Jean Black, Gwen Monner, Susan Healy, Norma Rushfeldt and Brenda Rushfeldt; poem, Shannon Armstrong; duet, Patsy Bartsch and Gail McKay; poem, June Sinclair; closing prayer, Patsy Bartsch.

Following the program the girls presented gifts to their mothers. These were necklaces that the girls had made themselves. Mrs. Byrla Armstrong and Mrs. Alice Bartsch, Explorer leaders, are to be commended for the fine leadership provided by them this past term. It is hoped to have a CGIT group in the district next year so that the Explorer graduates can carry on in this work.

MAJORVILLE

MILO-QUEENSTOWN F.W.U.A.

The Milo-Queenstown FWUA met Tuesday at the home of Mrs. Gilbert Vooyas with eight members answering the roll call of What Mother's Day Means To Me.

Considerable correspondence was dealt with as there was no April meeting due to bad roads. The Farm Safety bulletin prepared by 2nd vice-president Mrs. J. Jasmine was read and members were asked to read Mrs. Huddleston's educational bulletin in last week's Organized Farmer.

Members voted to send Clara Northcott and Marilyn Monner to Farm Young Peoples Week in Edmonton in June. A copy of Saskatchewan's Farm Machinery Act is received and is available for interested members to read. Several of the members plan to attend the District Convention in Nanton, June 23rd.

Mrs. Sandy Henry won the raffle. Mrs. Vic Bertrand invited the members to her home for the next meeting. Following adjournment a delicious lunch was served by the hostess, assisted by Mrs. Stan Godkin.

CARMANGAY

Mrs. L. Baldwin, Mrs. A. Scotter, Mrs. S. Cowgill and Mrs. W. Nielson attended the Deane Women's Association meeting at Claresholm. The Rt. Rev. George Calvert, Bishop of Calgary spoke of the expanding work of the church and the Rev. and Mrs. Chittema told of the help they had received from Canada for the church, the college and the clinic in their area. Luncheon was served by the ladies of Nadasor Lutheran Church. The next meeting will be at Claresholm in the fall when the Guild from Carmangay will be hostesses for the tea.

Babe Ruth and Little League got off to a good start during this week, the Babe Ruth home games are on Friday.

The Hospital Day Tea was held on May 11, with a good turnout of ladies. The decorated cake was won by Dr. Roman Hwozdecki and was made by Mrs. Cowgill of Champion. The tea was sponsored by the Hospital Auxiliary. Pictures of the Disaster Exercise were on view.

Ray Teskey is presently visiting at Olds with his brother and sister-in-law, Mr. and Mrs. Hugh Teskey. Mrs. Gladys McGinnis spent a few days in Calgary during the week.

Mr. and Mrs. Ivan Ohler attended the first annual Montana Charolais Convention at Billings last week. Ivan was the Canadian representative of the Canadian Charolais Association.

I. Ohler as Vice-president of the Canadian Charolais Association accompanied by other members of the executive flew to Ottawa. There they met with the Federal Minister of Agriculture the Honorable Harry Hays and his executive. They discussed final arrangements for the importation of Charolais cattle from France to Canada.

Emmanuel Anglican Guild entertained the Rev. and Mrs. Gresford Chittema from St. Mary's Church, Berea in Tanzania East Africa, at a luncheon on Tuesday, May 11.

The guests also visited the school where they answered questions asked by the pupils. In the evening a number of people from here attended the service and reception in Vulcan where the Rev. Chittema was the speaker and the couple also showed pictures of their own community.

QUEENSTOWN

W.I. MEETING

The May meeting of the WI was held on May 6 in the Legion Hall with Mrs. W. M. Iken as hostess. Seven members answered the roll call with Our first home together after marriage. This being a visitor's night seven visitors were there.

Mrs. George Elder will go as delegate to the convention in Edmonton.

It was decided to again send gifts to three elderly ladies for Mother's Day.

The annual clean-up day in the playground was set for Saturday. Contact has been established with a WI in British Guiana and a parcel containing pictures, magazines and information about this Branch's activities will be sent to them.

Mrs. J. Bushell gave her publicity report just before the meeting adjourned. Mrs. O. Ladd then entertained with several contests followed by a delicious lunch to close a very enjoyable evening.

Records of evaporation are kept at 37 stations across Canada and tabulated by CDA for research.

Early Pioneer Impressions

(The following biography was submitted by Neal McDonald, an early settler in the province and who now resides at the Peter Dawson Lodge.)

We see all things through ourselves with the help of others. Things being investigated, knowledge becomes more complete.

DESERT CLAIM
SUNNY SOUTHERN ALBERTA
HOMESTEADER

entitled

"WHAT MAKES WRINKLES"

Location: S.E. 1/4, Sec. 34, Rge. 14,
Twn. 16 W 4th Mer. from 1910
to 1921.

AUTOBIOGRAPHY

On the banks of the big Bow River — where it never rains — settled on a homestead and had all to gain; 'twas there that lost my encouragement of growing grain, and on the banks of the big Bow River I lost my name.

There's no encouragement I could find in such a lonely spot; and really did not get uneasy — until I had an empty pot. The neighbors were all uneasy going here and there about — wondering whether they would rather be an Eskimo or a Farmer, in the Desert route.

My house was made of lumber — no roof to begin; never did really get wet unless it happened to rain.

Hurrah for Southern Alberta — the Desert of the free; you'll look a long way ahead to find a place so uncomfortable to be. The Land of the Standard Progressive — the Home of the Bedbug and flea. And if you are going to stick it — you'll be chewed up some — you and me.

My clothes are worn — ragged and rough — the longer you stay there, you'll think of Adam enough. What about Eve? — what will she be? Oh! that's right, the styles' above the knee.

Then comes hard times — true

enough; there was not any had a box of snuff. In the winter of 1914, yes, where were we? — in the midst of a desert — so cold, yet so free! Then all of a sudden — a crash, it appeared — cow molasses shipped in — I had to cheer! — to hear the glad news on this Desert, so dear. We started at once, with this aid in mind, and sorry to our fate — no molasses did we find. We went home — not talking very kind! We met a neighbor, who was out on the line; he had a Jack Rabbit — so much, he was kind. He asked us to come with him; we thought that very fine.

How happy I am on my Desert Claim — have nothing to lose — have nothing to gain; have nothing to eat — have nothing to wear; and nothing from nothing, is honest and fair.

Yes, here am poor; yes, here will stay. My money's all gone and can't get away. Now come to Alberta — there's room for us all — where the wind never ceases and the rain never falls. Come, join in it's course and sing for it's fame — you sinners that are stuck on a Homesteader's Claim.

Now don't get discouraged — both women and men — you are all just as free, as the pig in the pen. You stick to your Homestead and battle the flea; you are not going to be contented — and that's sure to be. But, as far as myself, I will not stay and fight with cut-worms, bedbugs and fleas.

Farewell to that art — it's in the ditch! It'll never make it — it's got the itch!

Would travel the wide world o'er and o'er, before I'd wade the ditch and raise thistles much more.

Take a tip from a kicker, who is always on the run; he is not all maddened — but has a lot of fun!

No greater system can a country contain than what the people practice in the loyal refrain.

—Neal McDonald

Jack Murray, teacher, got a Scotia Plan Loan —\$1800—in 35 minutes

Jack Murray had what he thought was the world's biggest pile of unpaid medical bills. Mr. Murray needed financial help in a hurry.

Jack talked his problem over with his brother and he suggested that Jack investigate the advantages of a Scotia Plan Loan. Jack dropped in on his noon hour to a Scotiabank close to his school.

He talked his money problems over with one of the helpful Scotiabank people. After a few simple questions about his job, income, and how much money he needed Jack Murray started to see his medical bill problem melting away.

35 minutes later Jack Murray had all the money he so desperately needed. Of course, this actual customer was not

named Jack Murray—and not all Scotia Plan Loans take 35 minutes—the time varies with the circumstances. But there are more and more people with all kinds of names and jobs coming to The Bank of Nova Scotia to have their money problems solved—quickly. Why don't you?

How much money do you need? We strongly suggest that a Scotia Plan Loan is one of the best—most practical ways for you to consolidate your debts. With a Scotia Plan Loan the cost is low. Your loan is life-insured at no extra cost. You get the other advantage of dealing with the interested Scotiabank people. So talk over your money problem—whatever it is—debt consolidation—a new car—with the people at your nearest Scotiabank. They're ready and waiting to help you.

Scotia BANK

LIKE TO LEARN TO DRIVE?

The "Academy" Driver Training School will conduct its last training course for this summer starting May 26, in the Vulcan Hotel at 8:00 p.m.

Anyone interested in taking a full beginner's course or a "brush-up" is asked to contact our office at 615 53rd Ave. S.W., telephone 252-1014, or the instructor at the above time and date.

ANNOUNCEMENT

Due to no suitable space being available to practise my profession in Vulcan, I find it necessary to suspend my practice and kindly request my patients to visit the Calgary office:

513 8th Ave. S.W. (Across from Eaton's)

Parking available in Eaton's Car-park

No appointment is necessary for Vulcan and district patients.

OPTOMETRIST

DISTRICT NEWS

FROM OUR CORRESPONDENTS

ARMADA

Mrs. Marjie Marks and girls were Edmonton visitors over the weekend where they attended the wedding of Marjie's brother, Wally Anderson.

Mrs. Audrey and Mildred Lucas, Mrs. Hendricksen and her sister-in-law, Mrs. Collier, were all Vulcan visitors last week for a surprise birthday party for Mrs. Tom Lucas on the occasion of her 75th birthday. Best wishes go to Mrs. Lucas from her many friends in the Armada district.

Miss Mavis Stokes and Miss Arlene Roberts of Calgary were weekend visitors at the home of Mr. and Mrs. George Stokes.

Debbie Marks was a patient in the Vulcan Hospital for several days when she had a cast put on her broken ankle. She was accidentally run over by a car.

Terry Chambers returned to Calgary on Sunday after spending several months in Armada at the home of his uncle and aunt, Mr. and Mrs. George Stokes. He is working for Standard Gravel Co. in Calgary.

Construction will begin early this fall on the South Complex for the Southern Institute of Technology at Calgary, according to an announcement by the Hon. F. C. Colborne, Alberta's Minister of Public Works. The building is to be located south-east of the existing Administration Building, with the main facade facing north. Construction is slated for completion by September, 1967.

Estimated cost of the 578,000 square foot structure is 11 1/2 million dollars.

The complex will double the size of the SAIT facilities. About 2,200 students may be accommodated in the new facilities, bringing to 4,500 the student capacity at any time. With the various short courses, night classes and other extra courses the school will be able to handle about 13,000 students per term.

Construction will be of reinforced concrete and will consist of an 11 storey tower building as well as one three storey and three four storey adjoining blocks, with provisions made for future expansion with additional blocks.

HERRONTON - FARROW

Donald Thomas, a second year engineering student at UAC, flew to Fort St. John, B.C., where he is employed for the summer months.

Gary Beagle has returned to work on the farm following his term at Mount Royal College.

Sympathy goes out to the relatives of Wilbur Richardson who passed away in Calgary the past week. He was a resident of the district for many years before retiring to Calgary.

Seeding is in full swing. At least 10 per cent more crop will be stubbled in this year. Spraying of rye crops has been completed. The large increase acreage seeded to winter wheat last fall has all winter killed.

Miss Varnita Westersund, first

year education student at UAC is visiting at her home prior to seeking employment in Calgary.

Sincere sympathies go out to Mrs. Dick Thomas on the recent death of her father, Jake Bolinger, in Tennessee. He was an old timer of the Gleichen district before retiring to the States.

Mrs. Mel Soloway and children of Calgary spent the past week at the home of her parents while her husband was on a business trip to Lethbridge.

Following the recent loss of the Alberta Wheat Pool Elevator by fire, the Board of Directors, at the last meeting, authorized construction of a new 120,000 bushel composite elevator to be erected as quickly as crews can be diverted to this point. It is expected this will be approximately May 17.

This will be a fully modern elevator, powered with a 20 horse power head-drive motor. It will have a grain handling capacity of 6,000 bushels per hour. It will be equipped with a hydraulic hoist for dumping trucks, a dust collector, and electric car puller and electric door openers.

So far no plans have been released on the future of the Pioneer Grain Elevator which also burned at the same time as the Pool.

CANADIAN IMPERIAL BANK OF COMMERCE

"There must be a better way to build a highway."

Build the highway for safety - first! Highways with safety factors built-in offer several advantages to roads constructed with an eye solely to convenience and economy. Safety factors such as limited access roads and cloverleaf intersections eliminate one of the major hazards leading to accidents and loss of life. Where access to a highway is limited, through traffic flows easier, faster.

Constructing a highway with every known safety-factor built-in is expensive in money, but the saving in life and injuries is worth every penny. The inconvenience caused to local traffic by limiting access roads is a small price to pay for the additional peace-of-mind.

"In Alberta there is!"

Alberta's Department of Highways has built 26 clover-leaf intersections and four are now under construction. Six more are planned for the near future. Elimination of at-grade crossings is part of Alberta's policy for building better, safer roads.

Alberta motorists are among the least taxed in Canada, and yet they enjoy almost 100,000 miles of better road travel facilities - more than almost any other group of Canadians.

Good, safe highways - another feature that makes Alberta A Good Place to Live.

ICE CREAM, ICE MILK OR JUST ICE?

Do you know how one differs from another? Or just what's meant by sherbet, frozen pudding, mousses, frappe? If not, here's a guide to what you can get when you order:

Ice Cream:— Its principal ingredients are cream and unsalted butter (milk fat). There is a minimum standard for the amount of milk fat in ice cream. Additional ingredients are sugar, flavoring, and various forms of milk such as dry and condensed milk.

Ice Milk:— has less milk fat than ice cream, usually contains only three to seven per cent. For this reason, it can't legally be called ice cream, so is sold under a variety of trade names. Its consistency is usually softer than ice cream's.

French Ice Cream:— Also called frozen custard, French custard, New York or parfait ice cream — has about the same milk-fat content as ordinary ice cream, but eggs are added before the mixture is frozen.

Dietetic Ice Cream:— has few calories, may contain a sugar substitute. Diabetic ice cream must contain a sugar substitute, may not contain natural sugars, but otherwise is the same as regular ice cream.

Pisque:— is ice cream to which the manufacturer has added a bakery product, such as ladyfingers. **Frozen Pudding:**— richer ice cream with more fruit content than the usual fruit flavored kind.

Baked Alaska:— a cake base filled with ice cream and topped with meringue. The confection is browned in a hot oven, sometimes served aflame.

Mousse:— is richer than ordinary ice cream. It consists of pure whipping cream blended with sugar, flavoring and sometimes fruits and nuts, than frozen in a mold.

Tortoni:— or biscuit tortoni — is a vanilla mousse, usually topped with crumbled nuts.

Spumoni:— is made by lining a container with vanilla ice cream, then filling half of this mold with chocolate mousse or ice cream, the other half with a fruit and nut mousse. When hardened, it's usually served in wedge-shape slices.

Sherbet: is prepared from milk, sugar, fruit, and fruit juices. It's milk-fat content is low. Addition of a small amount of citric acid, gives sherbet its characteristic tartness.

Souffle:— is sherbet with egg yolk added.

Secretary, Livestock Cattle Breeders, High River

ENSIGN

Allen Brown from Midnapore spent last week at the home of his uncle, Bill Brown, to help with the seeding.

Mr. and Mrs. Gess Gothard from High River were May 12 visitors at the Clarence Mote home.

Mr. and Mrs. Lowell Elston from Spanaway, Wash., arrived last Wednesday by car to spend some time with relatives and friends in Vulcan and Ensign, and with Mr. Elston's mother, Mrs. Dwigans in Calgary.

Friends of Mrs. Archie McIntyre were sorry to hear of the death of her mother, Mrs. Shaw who passed away on May 15, at Cardston at the age of 88 years. Deepest sympathy is extended to the family.

CHAMPION

Mr. and Mrs. Ed Suchow and family of Calgary were weekend visitors with Mrs. Suchow's parents, Mr. and Mrs. George Weiss.

Visiting this week from the west coast at the D. W. Causey home are Mr. Causey's brother and sister-in-law, Mr. and Mrs. Jim Causey.

Winds of almost hurricane force buffeted the town all day Sunday. Reports of fences blown down, eavestroughs torn loose and windows blown in were heard. The dust created problems as the housewife viewed their dust laden window sills and ruefully thought of the housecleaning just completed prior to the storm. Monday's snowstorm was a relief, but still the thought lingers "Will spring ever really come this year?"

The famous Applan Way from Rome to Capua was wide enough to permit wagons, to pass one another.

Report From Parliament Hill

Lawrence E. Kindt, M.P.

TREND IN QUEBEC—The most important thing that has happened around Parliament Hill in recent weeks has been the very serious situation which has developed between the Government of Canada and the Government of Quebec. Somewhat over a week ago the Quebec Government announced that it now intended to make treaties with foreign governments. This is an outright contradiction of the unquestionable sole right of the Federal Government, and by no stretch of the imagination has any Province this right under our Constitution. Many persons around here regard this as the first step toward outright secession by Quebec from the rest of Canada, and is the cause of very grave and deep concern all around Parliament Hill. For perhaps the first time the real intentions of at least some members of the present Quebec Government appear to be clear. From information that I have been able to gather, this is not

what most people in Quebec desire at all, and most of us hope that the people of Quebec themselves will appropriately chastise their Provincial Government.

Members who say they're too busy to attend meetings are like the man who was so busy chopping wood he never had time to sharpen his axe.

BRANT

Rev. Jim Spence of Airdrie will be in the Brant United Church pulpit on Sunday, May 23, when he exchanges pulpits with Mrs. John Henderson. This had been previously planned for May 9. Several of the women had a work bee Saturday morning and cleaned out the flower bed in front of the church.

Mrs. P. Gallagher attended the CWL convention in Banff. John Pearson spent Mother's Day at his home in Railley.

Mr. and Mrs. E. W. Prater and Wallace spent Mother's Day in Calgary with Eva and John and Mrs. W. J. McMullen.

Mr. and Mrs. H. Bateman, Wayne and Diane enjoyed the Calgary Horse Show.

SCHOOL SCIENCE FAIR

Wednesday afternoon, May 12, saw parents and friends of school students gathered in the gymnasium to view the Science Fair exhibited by children of all grades.

A great variety of demonstrations were evident and all proved to be most interesting. The students and teachers alike are to be congratulated on their efforts. Exhibits of twelve of the students were taken to Vulcan and included in the County School Science Fair which was put on in the High School on Friday afternoon and evening.

HOME & SCHOOL ASSOCIATION

Following the viewing of the Science Fair exhibits the May

meeting of the Brant Home and School Association was held under the chairmanship of Mrs. Dan Mc-Niven.

The secretary, Mrs. Dick Hall, reported that the voting on the choice of the Canadian Home and School Centennial projects had resulted in two projects — Promotion of Children's Reading, and Support of Studies on the Canadian Indian. One method of financing the projects is enrollment of associations in a Founding Project on the payment of the sum of \$19.67. The Brant Association agreed to make this contribution from the general funds.

Some discussion was carried on regarding the Opportunity Class for Vulcan and it was suggested that this subject receive further investigation at a future time. Mrs. Jean Olsen and Mrs. Pat Dingwall were appointed to the Nominations Committee for the coming elections.

The meeting adjourned early because of the busy farming season.

U.C.W. MEETING

The May meeting of the Brant United Church Women was held in the church hall on Thursday. The president, Mrs. Una Burley chaired the meeting which was attended by eight regular members and two visitors. Mrs. Delores Payse lead the devotional, It Is Better To Be Approved By God Than By Men.

Roll call was answered by an exchange of plants and seeds. A letter informing the women that A Retreat for Women was to be held in Banff, Oct. 22-24 was read. This proved so very valuable to those who attended it last year, that all women interested are urged to attend.

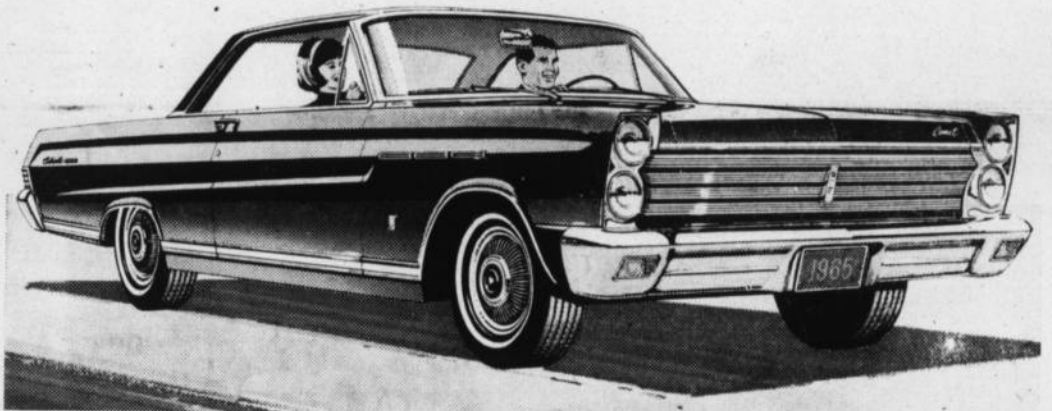

Mrs. Eva McKay reported that the Cancer Drive had been completed and that more money had been collected this year than last, \$244. Mrs. McKay also reported on the meeting of the Manse Committee of which she is the new vice-president.

Some discussion was held on the 61st anniversary of the Brant Church which is to be held on the afternoon of June 13. Mrs. Una Burley and Mrs. Eva McKay then presented a history of the Brant U.C.W. This proved most interesting and informative. Mrs. McKay is also writing the history of the church for the anniversary.

Lunch was then served by Mrs. Gwen Christofferson and Mrs. Inez Prater. Mrs. Una Burley was hostess.

BACK
ACHE**
Use Dodd's Kidney Pills for prompt relief from the systemic condition causing the backache. Soon you feel better — rest better. Depend on Dodd's.

A test-drive proves
the best compact on any road is
COMET

Caliente 2-door hardtop

Comet is simply the most luxurious,
best performing, roomiest compact going

Comet is the best compact on the road and we want to prove it to you. Actually, you owe it to yourself to enjoy the fun and excitement of driving the best compact on any road by taking a Comet test-drive.

When you get in, just sit for a moment and take in Comet's luxury. Merely sitting in those deep, foam-padded seats feels luxurious and you can have your choice of either individually adjustable bucket seats or wide, roomy bench seats. Most comfortable driving you ever enjoyed. But look at all the rest Comet offers: vinyls, fabrics, plaid and striped upholstery in fashionable colours, textures and patterns; colour-keyed loop-yarn nylon and rayon carpeting.

Next look for Comet's elegant details: On the Caliente, for instance, there are vinyl and foam-padded door panels, striking walnut-toned insets in the instrument panel and doors and door-mounted courtesy lights which help you see Comet's luxury better.

Now, take Comet out on the road. Comet is the car that sets the trends for compact performance and you'll soon see why.

Every Comet is fun. Choose either of the two lively sixes, the zippy 289 V-8 or the blazing 4-barrel, 225 horsepower Cyclone V-8. (Every one delivers top compact performance).

Feel the silky smoothness of Comet's transmissions, too. There's an effortless, 3-speed, dual range automatic, a 3-speed manual, (fully-synchronized with V-8's) and a superb, racy "four-on-the-floor". Team all this with Comet's new, improved suspension and this is undoubtedly the best performing compact on the road.

In The Front Line

(by C. J. Harris)

The public attitude toward the police, states RCMP Commissioner George B. McClellan, is contributing to the increase in crime, is making it more difficult for the police to do the job for which they are paid, is making it more difficult to attract good men into police work.

"There has never been a time in the history of law enforcement in the Western world," Commissioner McClellan said in a Toronto speech, "when those of us whom you have retained to protect you were more in need of the backing and support of the courts, the legal profession, the teaching profession and, above all, the general public. But there has hardly been a time when police have been subjected to more criticism, more abuse, or more frustration than at present."

Two examples of harmful public attitudes were cited by the commissioner. One concerned those citizens who refuse to help the police because they don't want to get involved, or don't want to be bothered — as in the case of the witness to a crime who was reluctant to testify because, "after all, the police get paid to find out these things without bothering innocent people." The other concerned those citizens who downgrade the police even when they need their help — as in the case of the woman who, reporting that her house had been ransacked, to the police, "if you are coming in uniform, please use the back door."

Even more damaging to society is the common practice of publicizing and glamorizing the criminal, as in the recent Montreal jailbreak of suspected drug smuggler Lucien Rivard. By contrast, the commissioner commented, there was almost no public notice of the fate of 24-year-old Constable Amey of the RCMP, who was shot and killed on a Newfoundland street while endeavouring to arrest four prisoners who had escaped from penitentiary.

"The police," said Commissioner McClellan, "are in the front line in the war against crime. They know what they are up against and they are not encouraged when they find so frequently that they, rather than the criminal, are regarded in some quarters as the enemy of society." Nor is the policeman a person apart. He is society: "When he is assaulted, society as a whole is assaulted. When he dies on some dark street, society is sprawled down there on the dirty pavement with him. When he exceeds his authority, bring him up short. But when he is doing, as most of us are, a tough, thankless and frequently dangerous job for you and all you hold dear, for God's sake get off his back."

Finally, Commissioner McClellan expressed the opinion that while there can be no argument about the propriety of the public's concern for the protection of civil rights, society also has the right to be protected against its enemies. That is an opinion that seems to go beyond the matter of crime for gain into the field of treason and subversion — an area where the RCMP men must often feel that they are unjustly charged with being the enemy rather than the protector of society.

BAND NEWS

Rehearsals are almost over for the Vulcan County Senior Band and soon the results of the winter studies will be heard. The band leaves town at 8:00 a.m. next Monday for High River and its part in the Little Britches Rodeo parade so practices lately have been a mixture of marching drill and preparation for the annual concert June 5.

For those who feel band concerts are fairly dull routine events it is promising this concert will offer some interesting surprises. Of course the lively marches will be heard as will such concert numbers as Beguine Festival, Dorian Overture and others. But there's something called Tiger Rag which features the drumming talents of Gordon Goldhawk, an alto horn solo by Fred DeJong and another solo by bandmaster Art Dee, Trumpeter's Lullaby. A

touch of spice may be found in a dance routine by some of the women of the band and a gang of men will render a spot of "Herr Lou's Hungry Five" styled sounds. Tickets for the concert are now on sale in the hands of junior band members.

Following the June 5 concert the band has been engaged to attend the Brooks Rodeo, June 11 and play in the morning parade. The following day will again see the band in their new red uniforms on Vulcan streets for the first of three Saturday afternoon outdoor concerts on the main street. These concerts are a means of helping show thanks for money which is presently being raised for the band by the Vulcan District Chamber of Commerce and to entertain weekend shoppers during June.

A welcome is given to Roman Pawluk who has returned to live at Vulcan and rejoined the bass section of the band.

HOLIDAY TRAILERS have arrived. See them on display. Priced at \$1295 and up. TRUCK CAMPERS as low as \$400. See them at Richardson & Gould Ltd., Vulcan, phone 485-2211. 36-8x

MR. FARMER: Proper records are a necessity in your farm operation. CARDS OF THANKS

Gordon and Vicki Murdoch wish to express their sincere thanks to the Arrowwood Community for the farewell gifts. We appreciate your thoughtfulness and hope that you will come and see us. Thank you. 41-1p

I want to thank Dr. Koziol, the nurses and all the staff at the Vulcan Hospital. Also to all my friends for their visits and cards while I was in the Vulcan Hospital. —Mrs. Henry McBride. 41-1p

Words can never express the deep gratitude we have for the efforts put forth last Thursday by the farmers in the Lomond, Travers and Enchant communities who came and put all our crop in that day. A special thanks to Gordon George, our Wheat Pool agent, Ivan Steeves and Russell McLeod for such a fine way in which they organized the work bee. Also to George Dunsmore who is doing our chores. And thanks to the ladies who came and helped serve lunches and dinner and for all the baking received. Again thanks to you all. It's a wonderful feeling to know we have such good friends and neighbors. —Ed and Cecile Emelson, Travers. 41-1x

Champion Home & School express their thanks and appreciation to all those who billeted students or in any other way helped to make their program Saturday evening a success. Thank you all. 1x

IN MEMORIAM

SMITH — In loving memory of our dear grandson and nephew Warren, who passed away May 18th, 1960. Dear Lord, take a message To our Warren above, Just tell him we miss him And give him our love. —Sadly missed and ever loved by Granddad and Grandma Davies and Uncles and Aunties Ida and Laverne and Enid and Buster and all his cousins, Champion. 41-1p

ARROWWOOD

Mrs. Dolena Burk, widow of Rev. Chester Burk who was killed in the Congo in 1964, will be guest speaker at the Arrowwood Gospel Church Sunday, May 23. Rev. and Mrs. Burk had served in the Congo as missionaries for 20 years when they were forcibly taken prisoners on November 24 and three days later Rev. Burk was one of 13 missionaries shot by the rebels. Mrs. Burk and a group of Italian nuns were rescued by 50 white mercenaries who made a surprise attack on the town where they were held, 23 days later.

BLACKIE

Easter week was busy for the Blackie CGIT group as they successfully held two slave days on April 22-23 when many people of the community hired them to rake lawns, wash walls and do odd jobs. This energetic young group realized \$61 from this venture and the money will be put towards a supply cupboard in the church in Blackie.

On April 24, four of the Blackie group accompanied by Mrs. Dave Irving attended the High River Rally and all enjoyed a busy day and wonderful time.

Blue and white table centres, streamers and the CGIT ensignia was the setting for the Mother's Day Tea May 8, sponsored by the CGIT under the direction of Mrs. Jim Andersen and Mrs. Dave Irving. The theme for the day was Honor Thy Mother, which was lettered in silver on the wall.

Congratulations are extended to Mr. and Mrs. Ronnie Groeneveld on the birth of a son in the High River hospital.

Mr. and Mrs. Jim Stier attended the graduation exercises of the Tech. students at the Jubilee Auditorium. Paul Stier graduated from his first year of Diesel Mechanics.

The May meeting of the Blackie Afternoon group was held at the home of Mrs. Percifield with 10 members and one visitor present.

Reid Hill Meet

(Continued From Front Page)

Little mentioned the Biennial Convention on June 1-2-3 in Edmonton and asked that all reports be sent in early. Handicraft regulations were discussed at some length.

Roll call "A Treasured Memory of My Mother" was answered by nine members and three visitors.

An auction sale was held, with Mrs. Deal as a most capable auctioneer, and a number of delicious baked items were offered for sale. Mrs. Little was presented, by Mrs. French with a dainty rose corsage, and all other guests received carnation corsages. A reading "The Mother Of Our Lord" very kindly given by Mrs. Todd was much enjoyed.

A dainty lunch was served by a number of the members to conclude a most pleasant afternoon.

ATTENTION BUSINESSMEN, TOWN & COUNTY RESIDENTS

The Vulcan District Chamber of Commerce is currently sponsoring a fund raising drive to assist the Vulcan County Band Association in its progress. The value of such a musical organization to this area need not be emphasized here and it is hoped the objective of at least \$500 will be over-subscribed. Those not personally contacted may help by contacting M. R. Morrison, committee chairman, or send cheques to—

Some members of the Farm shop and safety awards program, Electric Service Ltd. crew are shown during their recent work. The photo are Harry Stoddard, Ernie Collette, Dick Warren and Dave Blair. Individual and crew safety awards were presented.

Some of the patients from the Co. Belcher Hospital in Calgary are shown boarding their bus during their afternoon outing to Vulcan last Friday. They were treated to a tour of the Little Bow Pioneer Museum and entertained by their hosts, the local Legion Auxiliary.

LOMOND

Deepest sympathy is extended to members of the McKay families at news of the death of Mrs. Bella Cummings (nee McKay) in Calgary last Friday. Funeral services were held in Calgary, Monday, May 17. Mr. and Mrs. Henry Lindstedt, accompanied by Mrs. Margery Marks and girls motored to Edmonton last Friday to attend the wedding of Earline's and Margery's brother, Wally Anderson. They returned home Sunday evening.

Best wishes for a speedy recovery are extended to Edward Howell, who is a patient in the Vulcan Hospital.

Mr. and Mrs. Frank Chow and daughter Joy were visitors in Calgary last Sunday.

Mr. and Mrs. L. Chase and Terry, Mrs. Vera Dowe and Delmer Huff were Lethbridge visitors on Saturday of last week.

Mr. and Mrs. Arthur Berger were visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Lloyd Benson and girls of Calgary were weekend visitors at the home of Mr. and Mrs. Leonard Benson.

Deepest sympathy is extended to Mr. and Mrs. Paul Maier and family at news of the death of Mrs. Maier's father, the late Jacob Knodel, who passed away at his home in Lethbridge on Thursday, May 3, at the age of 78 years. Also to the Sam Schlaht family, Sam being a half brother to the late Mr. Knodel.

Mr. and Mrs. Stu Joiner of Vulcan were Sunday visitors at the home of their son-in-law and daughter, Mr. and Mrs. Peter Degenstein, Jr., and family.

Mr. and Mrs. Leonard Huff, Douglas, Merle, Gail and Mrs. Henry Huff motored to Calgary last weekend where they visited Grandma Huff and Tiny Ost.

Mrs. Pete Ruppert and Marie, Mrs. Vera Rowe and Mrs. Alice Clifford and son Keith were visitors in Lethbridge on Thursday of last week.

Mr. and Mrs. Hirst Goldthorpe were Lethbridge visitors on Thursday of last week.

Among those from Lomond attending funeral services for the late Mrs. Bella Cummings, in Calgary, on Monday, were Mr. and Mrs. Reg Frost and Marilyn, Mrs. Fred Maronda, Mr. and Mrs. Martin Maronda and Eldon and Mr. and Mrs. Earl Helland.

BIRTHDAY CLUB

The May meeting of the Birthday Club was held on May 13, at the home of Mrs. Isabelle Volesky. The opening song was, Mother. The roll call was, Why I Like Being A Farmer's Wife. There were 14 members and two guests at the meeting.

Correspondence consisted of a thank-you note from Mrs. Helen

THE HOMEMAKER

Miss Pat Westman, District Home Economist
Box 40 Claresholm, Alta. Phone 235-3245

Fortunately refrigerators are standard equipment in most homes. By retarding food spoilage they save money and make possible a much more varied diet.

Nevertheless a "fridge" is no miracle box. Food left too long will mould or spoil. Even food which appears edible can harbor the bugs that cause food poisoning.

So here are a few time limits for fresh foods stored at a refrigerator temperature of 45 degrees F. Times given are approved by the Canadian Department of Agriculture.

Left over salad should not be kept at all. Salad dressing is an excellent medium for bacterial growth and wilted greens are not too appetizing.

Otherwise fresh food should be covered during refrigeration. Fresh meat needs a loose wax wrap. Other foods keep best tightly wrapped or in covered containers. This is necessary to exclude air and eliminate transfer of odor.

Soft custard (e.g. flapper pie) one day
Baked Custard (e.g. pumpkin pie) three days
Fruit pies four days
Unbaked pie dough ten days
Bread (air tight) two weeks
Cookies (baked) six weeks
Liver, Kidney, etc. one day
Hamburger two days
Other fresh meat three days
Luncheon meats four days
Left over roast four days

Casserole three days
Whole poultry two days
Cut up poultry one or two days
Cooked poultry two days
Poultry dressing (store separate from meat) two days
Fresh Fish two days
Cooked Fish three days
Fresh Eggs ten days
Butter, Margarine two weeks
Soft fruits, leafy vegetables one week

All time limits depend on original food quality and coverings used.

Fresh foods should be promptly used. Fruit cake is the only left over that improves with age.

It pays to defrost your "fridge" regularly. When ice builds up on

Super Biodorant

ANTI-PERSPIRANT
AND DEODORANT

Both an anti-perspirant and deodorant in one. Super Biodorant keeps you odor-free all day, checks excessive perspiration even in hottest summer, keeps underarms cool and dry. So effective you will use it year round. Use every day — or less often as needed. Safe for normal skin and fabrics. Super Biodorant by Helena Rubinstein. Available in Spray-On or Dab-On Matic. At Mitchell's Pharmacy. 38-4x

Wolfe's HARDWARE - Vulcan

Canadian Western Natural Gas Company Limited and
Northwestern Utilities, Limited

Murray E. Stewart

John E. Maybin

GAS COMPANIES ANNOUNCE SENIOR MANAGEMENT APPOINTMENTS

The appointments of Murray E. Stewart, 38, of Edmonton as president, and John E. Maybin, 40, of Calgary as executive vice-president, of Canadian Western Natural Gas Company Limited and Northwestern Utilities, Limited are announced by D. K. Yorath, chairman of the companies, following meetings of the companies' boards of directors. Mr. Stewart succeeds Bruce F. Willson, who has resigned to become president of

Canadian Bechtel Ltd. of Toronto. Formerly vice-president of both companies, and general manager of Northwestern, Mr. Stewart has been with Alberta's two major gas utility companies since 1949. He will continue to reside in Edmonton. Mr. Maybin has also been with the companies since 1949 and formerly was vice-president, engineering and gas supply, for both companies.

Early spring 4-H activities in the Vulcan district were the public speaking eliminations which concluded locally at the County Central High School. Above, the young winners, shown with Mel Jordan, left, president of the co-sponsoring Vulcan District Chamber of Commerce, and D.A. Clarence Roth, right, are Merle Wyatt, Arrowwood 4-H Beef Club; Kay Giles, Berrywater 4-H Beef Club and Brenda Williams, Arrowwood 4-H Beef Club.

Judge Frank Burgess gave the adjudication and assisting him were Mrs. Russell Graham and Rev. W. Dormer. Plaques were presented by Chamber president Mel Jordan.

About 100 interested 4-H members and parents attended the competition following which lunch was served, courtesy of the Chamber of Commerce.

Vulcan winners then proceeded to Lethbridge to compete in the regional eliminations and winners from this level went on to Calgary

for the Southern Alberta Finals. Winner at Calgary was David Cumming of Crossfield while Beverly Patching of Lethbridge was second.

Three local finalists from regional areas of Lethbridge, Medicine Hat, Drumheller and Calgary make up the entry list.

The success of the Crossfield boy wins for him an all-expense paid trip to the 4-H Leadership Camp at Lake Wakonda in Saskatchewan during August.

District News

VULCAN WEST

Mr. and Mrs. James T. White recently attended a dinner party at the home of their son-in-law and daughter, Lillian of Calgary and during the afternoon they received a surprise phone call from Mrs. Darrel Steeby (nee Madeline White) of New Port News, Virginia.

The call came in very clearly and was indeed sensational making it a specially pleasant occasion.

On Thursday Mr. and Mrs. Geo. Pearce of Calgary were visitors at the Ross Clark and Harry Smith homes.

Gordon Goldhawk and Shirley Sandberg were visitors in Calgary at the home of Mr. and Mrs. Larry Kreutz on the weekend. Little Lawrence Kreutz accompanied them home on Sunday to visit with her grandmother, Mrs. Geo. Sandberg.

Cheryl Campbell of Ensign fell while playing and cut her hand on a couple of rusty nails. The wound required 12 stitches to close.

Mr. and Mrs. Harry Smith took Mrs. Hendley to Nanton on Friday evening to catch the bus as she was returning to her home in California after nearly three months visiting with her brother-in-law and sister, Mr. and Mrs. Dave McDonald and other relatives in Turner Valley and Black Diamond, and with her brother and sister-in-law, Mr. and Mrs. Harry Smith and other relatives at Vulcan and district. She also visited a nephew and family, Mr. and Mrs. Jerry McIntyre at Westward Ho.

Mr. and Mrs. Een Herdman and family and Albert Cartridge all from Calgary visited at the home of Mr. and Mrs. Ross Clark on Sunday.

Mrs. Don (Lillian) Williams of Trail, B.C., is at present visiting at the Ross Clark home and with other relatives for a few days.

Mr. and Mrs. Warner Roebuck and son were Sunday visitors at the Eddie Nolte home.

Merle Smith and Harvey Simmons were business visitors last Monday in Calgary.

Eileen Kennedy and Jean Olson, Brant visited Friday at the home of Mr. and Mrs. Howard Foster.

Mrs. Floyd Atkinson visited in Calgary over the weekend with her daughter Lavone.

Debra Wolfe and Kathy Atkinson celebrated Kathy's birthday which was on Saturday, by spending the weekend at the home of Mr. and Mrs. George Eamor at Alderside.

Mr. and Mrs. Clarence Brown and Larry and David were Calgary visitors last Saturday. Larry left for Vancouver where he accepted a position at Butlers Supply Co. in North Surrey, B.C.

Sunday evening visitors at the Clarence Brown home were Mr. and Mrs. Norman Park from Nanton.

Mr. and Mrs. Keith McBrien and Andy States from Nanton were supper guests at the home of Mr. and Mrs. Bruce White.

GOOD DEEDS WOMEN'S INSTITUTE

Meeting at the farm home of Mrs. George Dingwall, the Good Deeds Women's Institute was attended by 10 members and one visitor.

The president, Mrs. George Dingwall, opened the meeting by leading the singing of the Institute Ode, repeating the Institute Creed and saluting our flag. Mrs. Bob Hutton read the minutes from the April meeting.

Reports were given, and the lengthy business meeting was mainly discussion pertaining to matters connected with the Little Bow constituency. Conference at Champion in June and the Provincial Convention in Edmonton also in June.

To answer roll call, each member had brought a slip, plant or root, thus a lively exchange resulted. Used clothing for the Unitarian Service was once more collected as several members found they had more items after spring cleaning.

A book has been donated to the local library by the Good Deeds group in memory of their late member, Mrs. E. E. Andrews.

It had been hoped the district convener, Mrs. Helen Little, could address this meeting however she had a previous engagement.

Following adjournment of the meeting members visited while the hostess served lunch.

IT TAKES ALL SORTS

A man was telling a friend about how he had been injured in an automobile accident and had collected \$25,000, while his brother, who had been in the same car, had collected only \$5,000.

"Well, I guess he was lucky not to have been hurt as badly as you were," offered the friend. "To tell the truth," admitted the man, "he wasn't hurt at all, but fortunately in all the excitement I had the presence of mind to kick him in the head."

VICTORY AT SEA — The German submarine U-190 slides quietly to a mooring in the harbour of St. John's, Nfld., one of two surrendered U-boats taken to Canadian ports 20 years ago this month. The other was U-889 which was escorted to Shelburne, N.S. From September 1941 to March 1945 RCN warships destroyed or helped to destroy a total of 29 enemy submarines, most of them in the battle of the Atlantic which waged unrelentingly throughout the Second

World War. Battle of the Atlantic Sunday is observed annually across Canada with church parades and ceremonies by present and former naval personnel and merchant navy veterans, this year on May 2. (Canadian Forces Photo)

District News

ARROWWOOD

Friends were sorry to hear that Miss Reid had the misfortune to be thrown from a horse. She spent a few days in the Vulcan hospital.

Several people from this district attended the funeral of Harry Burgess at Vulcan on Saturday.

Get well wishes go to Jean Stracky who is a patient in the Vulcan Hospital.

Mr. and Mrs. Harold DeWitt and family visited at the Curtis home over the weekend.

Several parents and children attended the Science Fair at the County Central High School, Vulcan.

Mr. and Mrs. Bill Lloyd and Mrs. Ethel White attended a funeral in Saskatchewan last week for an aunt.

There will be a community

shower on the evening of May 29, for Gail Williams at the hall.

Mr. Short and his wife from Lloydminster attended the United Church on Sunday. Mr. Short gave the sermon.

Rain and hail fell on Friday in the town of Arrowwood and in parts of the district, but was very scattered. Sunday was a windy, dirty day reminding some of the older residents of years gone by. Monday brought snow and wind and a low temperature of 35.

GOSSIP CHURCH

The Arrowwood Gospel Church Mission Circle was held at the home of Mrs. Effie Norton on May 4. There were 17 ladies present. Miss Dorothy Brown was in charge of devotions and also gave a talk on Ecuador. She told of the different customs and of the problems that arise on the mission field, which was very interesting.

The program for the year was outlined and books were done up. This year's project is to help support Mr. and Mrs. Duane Norton. A lovely lunch was served by Mrs. Effie Norton and Rose.

MILO

The Little League baseball team motored to Arrowwood on Monday and were defeated by a score of 10-8.

Terry Tiffin returned home Saturday after spending a few days in the Vulcan Hospital.

The Babe Ruth baseball team motored to Carmangay on Friday and were defeated by a score of 8 to 4.

Linda Page of Calgary spent the weekend at the home of her parents.

Deepest sympathy is extended to Mrs. Gordon Ivers on the death of her brother at Taber.

A number of ladies called on Gladys Phillips on Saturday afternoon to wish her a happy birthday.

Many happy returns are wished Granny Burke who celebrated her 88th birthday on Thursday. A number of people called on Mrs. Burke.

Mr. and Mrs. E. A. Anderson attended the wedding of their son Wally to Virginia Westenburg at Edmonton on Saturday, May 15. Congratulations are extended to the newlyweds.

Mr. and Mrs. Art Forrester and family of Calgary were weekend guests at the Bob Umscheid home.

A number of students from the Milo school demonstrated their science projects at Vulcan on Friday.

Mrs. Art Brown visited with her husband at the General Hospital, Calgary over the weekend and reports Art is coming along quite well.

Strong winds caused severe soil drifting in the district on Sunday and Monday.

Mr. and Mrs. Robbie Thomson and David of Banff were weekend guests at the Phillips and Thomson homes.

POTATO PLANTING

With the potato planting season approaching, it is important to select good disease-free seed.

As with other crops, the potato crop can be no better than the seed. The "seed piece" is actually a vegetative part which carries all the good features of the parent plant as well as such undesirable factors as disease.

According to J. B. Gurba, supervisor of Crop Protection and Pest Control, the Alberta Department of Agriculture has been operating a disease control program for 25 years in co-operation with commercial potato growers, the industry and the federal government.

Commercial growers in special "Pest Areas," says Mr. Gurba, are required to obtain a planting permit before planting potatoes to facilitate field inspection and control disease. The "Pest Areas" coincide with the major producing districts and include the municipalities of Edmonton, Calgary, Lethbridge, Medicine Hat, Strathcona, Stony Plain, Sturgeon, Rocky View and all the irrigated districts.

Commercial growers are defined as those growing more than one-quarter acre of potatoes for sale. Planting permits are available, free of charge, from Department offices within each area.

With potatoes currently at a high price, there may be a tendency to use culls or inferior seed. This is false economy, says Mr. Gurba, since neither our local nor export markets will accept poor quality. Potential seed buyers should also be aware that most of the table potatoes on the market have been treated with a sprout inhibitor to enhance their keeping qualities and will not grow if planted.

The Provincial Department of Agriculture supplies information on approved seed sources and production problems. Disinfecting services are available at cost from the Alberta Department of Agriculture or local municipal districts and counties.

Calgary Power's Big Bend Hydro Plant is shown above as it neared completion in 1964. The aerial view shows end of 12 mile canal linking

power house to storage dam upstream. A second penstock is installed in readiness for a second addition in 1966. One of Canada's largest hydro units, the turbo-generator, rated at 210,000 h.p. is as large as any water-driven machine now operating in Canada.

District News

MAJORVILLE

Mr. and Mrs. Gene Henry were dinner guests of the Del Olsons of Vulcan on Sunday.

Mr. and Mrs. Bruce Henry were guests of the Kleth Wagners in Milo on Sunday.

Mrs. Myrtle Munroe of Bassano visited her brothers Chester and Elmer Thompson on Monday.

Mrs. Laura Sutherland spent last week in Calgary visiting Mrs. Andy Osler. Friends were pleased to hear that Mrs. Osler is able to be up and around again.

Mrs. Jim Umschied hosted a birthday party Wednesday for her daughter Juanita who celebrated

her third birthday and for Granny Burk on her 88th birthday. Many of her friends called on Tuesday of Mrs. Bill Gouch. Mrs. Brown is spending a couple of weeks in the district visiting her family.

Mr. and Mrs. Art Forrester of Calgary were weekend visitors at the home of Mr. and Mrs. Bob Umschied.

Mr. and Mrs. Ralph Garland of Vulcan were guests of the Jim Umschied family last week.

Mrs. George Heather enjoyed a visit last week from her sister Mrs. Orsten of Edmonton.

Mr. and Mrs. George Heather motored to Vulcan Sunday to spend the afternoon with their daughter Mrs. Chambers at the hospital.

Mrs. Hap Heather entertained a number of Brenda's friends last week on the occasion of her 7th birthday.

Mr. and Mrs. John Papp and Mr. and Mrs. Harvey Godkin motored to Calgary Saturday to meet the former's mother, Mrs. Viola Williams, who returned by plane from a six-week holiday at the west coast.

A heavy rain and hail storm hit parts of the district on Friday and proved most beneficial Sunday when the terrific wind brought clouds of dust from those parts not receiving Friday's moisture.

Many people reported damage to buildings resulting from the strong winds and several people cancelled travel plans for the day as visibility was almost nil.

ALCW MEETING

The ALCW meeting was held Wednesday at the home of Mrs. Bill Deitz with a good crowd in attendance. Mrs. Deitz led the devotional.

It was decided to help the Lions Club serve in their booth at the Lake McGregor Race Meet. Mrs. Bruce Henry and Mrs. Keith Wagner hope to be able to attend the convention in Regina in June.

Mrs. Jack Deitz invited the members to her home for the next meeting. After adjournment a delicious lunch was served by the hostess.

DINTON

Sunday visitors on Mother's Day at Slim Layercraft's were his sister, Mrs. Alice Feddema of Calgary and Mrs. Gertrude Scott, Mrs. Elizabeth Ward, cousins from Lennoxville, Quebec. Mrs. Scott and Mrs. Wark who visited other relatives in the district left Monday, May 10, to return home.

Tom Raycraft had the misfortune to break a bone in his foot and is now on crutches.

Miss Diane Whillans is working in Calgary for the summer months. Congratulations are extended to Mr. and Mrs. Ronnie Groeneveld on the birth of a son.

W.A. MEETING

The April meeting of the Dinton WA was held at the home of Mrs. Gordon Layercraft on Thursday evening, April 29, with an attendance of eight members and one visitor. Mrs. Ronnie McKeage presided and led the devotional and Mrs. Urban Bricker read the scripture passage. A new chapter of the study book, The Nation and the Kingdom, telling of influence of Christianity on the emerging new nations of the world was dealt with by Mrs. Jack Thurber. Correspondence included the annual report from Miss Winnifred Gray of Kangra, India, and was read by Mrs. Layercraft. It was decided that some gift copies of the

was gratefully accepted. Books regarding the Gladys-Dinton book can also be seen at the Hub Store. A number of suggestions were discussed to raise funds.

An editorial from the High River Times was read by Mrs. Meadows turned into a banquet.

Here's what you've been waiting for

BOSTITCH B8R

The First Practical Combination Stapler and Staple Remover

Nothing like it for fastening bags and bundles, bills and checks, window shades and curtain tie-backs, decorations and scrap books...all kinds of home, school, office, shop and hobby work. On your desk, in your hand, or used as a tacker, this powerful, compact Bostitch all-purpose stapler is tops in speed, neatness, security.

The work stays stapled as long as you want it—then a gentle push on the remover and, ZIP! the staple's out. You'll like it. So will your friends. Makes an ideal gift.

From Our Correspondents

CHAMPION

Mrs. Adam Ferguson was a patient in the Vulcan Hospital for several days recently.

Mrs. E. D. Nowlin and Lorraine left on Friday of last week to visit Mrs. Nowlin's mother, Mrs. Edith Mather at Creston, B.C.

Mrs. Rachel Taylor was a visitor at the home of her son and daughter-in-law, Mr. and Mrs. Harry Taylor at Fort Macleod for several days last week.

Bud Siler and his son Don of Wetaskiwin were visitors with Bud's mother, Mrs. Bessie Siler, on Wednesday of last week.

Unit Two, U.C.W. met at the home of Mrs. Don Clifford with 12 members attending. Devotional was led by Mrs. Carl Culler. All were reminded of the general meeting to be held May 19, in the church. Mrs. Victor Close assisted the hostess in serving the lunch prepared by Mrs. Bruce Fyke.

Mr. and Mrs. Sev Pasoli and family and Mr. and Mrs. Tino Pasoli, Anna Marie, Mr. and Mrs. Livio Pasoli and boys were Easter Sunday dinner guests at the home of Mr. and Mrs. Emil Englehart in Lethbridge. Mrs. Maria Pasoli also spent the day at the Englehart home.

Mrs. Nakatsu passed away in Lethbridge last week after a lengthy illness. Sympathy of the town and district is extended Miss Nobuka Nakatsu.

At the meeting of the Ladies Auxiliary to the Royal Canadian Legion held last Tuesday, Mrs. Olive Howerton was appointed to attend the centennial meeting on June 5, as representative of the auxiliary. Lunch was served by Mrs. Iola Jones and Mrs. Olive Howerton. The tea prize donated by Mrs. Betty Groves was won by Mrs. Elsie House.

Mrs. C. G. Miller attended the funeral for the late Mrs. Nakatsu in Lethbridge Saturday afternoon.

Mrs. Agnes Allon and her daughter, Pat, of Calgary were weekend visitors in Champion.

W.M.S. MEETING

The WMS meeting was held at the parsonage with 12 ladies present. The devotional was brought by Mrs. Merlene Ruggles. Prayer time was had for missionaries and other requests.

Thank you notes from the Simmons for supplies and from Bethany Homes for money and clothes for Brenda were read. It was moved to fix a box for Mr. and Mrs. Harry Ruggles who will return from Venezuela soon. Plans are underway for celebration of the 15th anniversary of WMS on August 20, with Mrs. Marion Ruggles and Mrs. Dorothy Strom here. Charter members and various past presidents will also be invited.

The meeting closed with the hymn He Is So Precious To Me, followed by refreshments being served.

SCIENCE FAIR

It was Science Fair Day at the Champion School, May 11. Students had spent weeks preparing for this event under the guidance of the teachers. So prolific were the exhibits that facilities of the library, auditorium and science laboratory

MR. AND MRS. M. J. LESLIE

were needed to display them. Two hundred and forty five exhibits were displayed.

Everything from the making of lead bullets to modern nuclear warheads were there for everyone to see. In the science laboratory were working models of steam turbines, generators etc. In the other rooms seeds, their germination and plant growth were displayed. A complete scale working model of a water purification plant was in operation. One of the interesting projects was the "before and after" utilizing the rivers for irrigation purposes, power, etc.

The following were chosen as the best exhibits and these were taken to Vulcan Science Fair:

Grade 1: Plants Grow From Seeds, Tracy Bloxham; Bird House, Kathleen Burton.

Grade 2: Sea Shells, Robin McGrail; Windmill, Barry Close.

Grade 3: Vibration produces sound, Allan Pasoli; Cranes, Dennis Griffin.

Grade 4: Copper, David Adams; Flowers, Maureen Matlock.

Grade 5: Artificial Ear, Karen Pasoli; Model Motor, Keith Christensen; Scientific Bird House, Gordon Hagg.

Grade 6: Constellations, Ruth Hummel and Diane Fath; The Earth, Joan Bach; The Planets, Laurie Ellis.

Junior High: Water Purification Plant, Doreen Chlbeiser and Nancy Christensen; Rockets and guided missiles, Richard Fedaj; The Bean, Eleanor Hummel; Home Made microscope, Victor Staehr; Mod I generator, Michael McGrail.

The judges based their findings on the work involved, originality, neatness and illustration of scientific principle.

Hats off to the teachers of

Champion for the assistance given to the students to make this first Science Fair a real success.

Mossleigh Girl Wed In City Ceremony

A recent wedding of interest to the Mossleigh district was solemnized at Seabro United Church, Calgary, when Joan Marilyn, daughter of Mrs. John D. Bennett of Calgary, was united in marriage to Murray Joseph Leslie son of Mr. and Mrs. Joseph Leslie of Mossleigh. Rev. J. T. Irwin officiated at the double-ring ceremony before an altar banked with roses and chrysanthemums.

The bride entered the church on the arm of her eldest brother John R. Bennett of Edmonton. She was beautifully gowned in a floor-length dress of organza with lace applique, a full back with train. Her head piece was a scalloped crown with a shoulder-length veil and she carried a bouquet of roses and carnations.

Mrs. Pat Fraser was matron of honour with Sandra Lockman and Barbara Salmaa as bridesmaids, all friends of the bride. They were dressed identically in floor-length sheath dresses of peau-de-sois of coquette blue with trains and matching head pieces. They carried white carnations. Little Erin Gayle Bennett, niece of the bride, was flower girl. She wore a white nylon dress with blue sash and head-piece.

The groom was attended by Robert Tharlie, Jack Leslie and Doug Leslie. Ushers were Lloyd Groeneveld and Tom Leslie.

Mrs. Jack Leslie was soloist and sang The Wedding Prayer before the wedding ceremony and I'll Walk Beside You during the signing of the register.

The mother of the bride was dressed in a pink lace suit with matching coat. Bone colored accessories complimented her outfit. Her corsage was white roses.

The groom's mother was dressed in aqua crepe with matching hat and gloves, with a white rose corsage.

A reception and dance for over 100 guests was held at the Holiday Inn. Heather Bennett, cousin of the bride was in charge of the guest book.

The bride's table was centered with a three-tiered wedding cake made by Mrs. Bernice Leslie, aunt

of the groom, Noel Bennett was master of ceremonies. The toast to the bride was given by Lloyd Bennett, uncle of the bride.

For travelling to California and Las Vegas for the honeymoon the bride chose a two piece peacock blue suit with feather hat and brown accessories.

Guests were from Maple Creek, Sask., Edmonton, Leslieville, Lyalta, High River and Mossleigh.

The bride and groom will make their home at Mossleigh.

THE FINISHING TOUCH FOR ANY CAR

Regardless of your car's modern finish — Acrylic, Lacquer, Enamel, you need Blue Coral for lasting and matchless protection against the inevitable wear of weather, corrosive road film, and time.

Your pride of actual possession will be based on a more beautiful car —

enhanced by new and better finishes, more sheer beauty more reason to keep that new look new. Preserve that beauty with the famous Blue Coral Treatment.

How do you want your Buick?

Buick Skylark Sport Coupe

Nimble, trim and thrifty?

Like your luxury in trim packages? Then Buick Special is the car for you. Special, Special

Deluxe, Sportwagon or Skylark, each model delivers everything that the name Buick promises.

Buick Wildcat Sport Coupe

Big, bold and adventurous?

Like this Wildcat Sport Coupe. Or the beautiful LeSabre. Or elegant Electra 225. Or the classic Riviera. Each one offers its own kind of adventure. And with a wide selection of power teams and a lengthy list of optional fine-car features Buick is sure to have just the right kind of adventure for you. Choose one of the five V8 engines that delivers 210, 250, 325, 340 or 360 horsepower. And one of the three fine transmissions.

Then there are those optional accessories that help make Buick so desirable. Like year 'round Air Conditioning, 6-Way Power Seats, and a Tilt Steering Wheel. So whether you like your luxury trim and thrifty or big and bold, Buick has just the right car for you. Wouldn't you really rather have a Buick?

Res. 15

Mrs. Percy Myers has returned from a month's holiday spent with her son-in-law and daughter, Mr. and Mrs. Warren Ossness at Puyallup, Wash. Enroute home Mrs. Myers stopped in Vancouver, B.C. and visited with Mrs. Carrie McIntyre, who wished to be remembered to her friends here.

Mrs. Ruth Northcott, accompanied by Mrs. Frieda McRoberts, spent Monday in Lethbridge.

Word has been received here that Douglas Budd, son of Mr. and Mrs. Charles Budd of Brooks, former Vulcan residents, will be one of 10 young people to represent Alberta at the 5th annual Canadian Automobile Association School Patrol Jamboree in Ottawa this week.

Mrs. Edith Smith of Calgary called on Jim Stein and Melba Sunday of last week.

BRIEF ITEMS OF LOCAL INTEREST

Dr. E. M. Gee of Red Deer was a recent business visitor to Vulcan. Friends of Mrs. G. E. Clayton will be sorry to learn that she underwent surgery at the Holy Cross hospital in Calgary on Friday.

Mrs. Nelson, Sr. of Red Deer was a business visitor here last week and while in Vulcan was a houseguest at the Les Johnson home.

Mr. and Mrs. Wark Boucher of Edmonton visited recently with the latter's parents, Mr. and Mrs. Nelson Jamison.

Friends of Mrs. Montie Findlay will be sorry to hear that she is a patient in Municipal Hospital in Lethbridge.

Mrs. Annie Hyslop of Calgary has been renewing acquaintances here and was a house-guest of Mrs. E. Shrigley.

Mrs. Lillian Williams of Trail, B.C., is presently visiting at the Ross Clark and Cliff McAskill homes.

Mr. and Mrs. Michael Jantzie and Bruce of Medicine Hat spent the weekend at the D. O. Jantzie home.

Mr. and Mrs. Jerry LaRoche and boys of Calgary were Sunday visitors at the home of the former's mother, Mrs. Eunice LaRoche.

Mr. and Mrs. Don Jantzie, Mr. and Mrs. Joe Eberle, Mr. and Mrs. Fred Cartwright, Mr. and Mrs. Ray Brown and families, and Gary Jopling spent a trailer weekend at Beauvais Lake, and tried their hand at fishing. All report a fine weekend.

Mr. and Mrs. Freeman Haines of Huntington Beach, Calif., spent several days last week with the latter's brother and sister-in-law, Mr. and Mrs. Earl Galloway, and while here also renewed a number of acquaintances.

Mr. and Mrs. George Kiemle attended the wedding of a granddaughter in Red Deer on Saturday.

Friends of Mrs. Velma Shaw of Lethbridge will be sorry to learn that she is a patient at the Municipal hospital.

Word was received here on Monday of the birth of a son to Mr. and Mrs. Bob Hill of Lethbridge. The new arrival is a grandson of Mr. and Mrs. W. S. Hill.

Mr. and Mrs. Bob Healy and family spent Sunday at the home of the latter's parents, Mr. and Mrs. A. Brett, in Calgary.

Rev. and Mrs. H. S. Rempel of Saskatoon visited with their son and daughter-in-law, Mr. and Mrs. Harry Rempel at the weekend.

Mr. and Mrs. Jim Hynman and sons Gerald and Karl accompanied by Mr. and Mrs. Roy Golar, all of Calgary, were recent visitors at the home of Jim Stein and Melba.

The Galt School of Nursing Alumnae Association held its 20th Annual Reunion May 4, at the Lethbridge Municipal Hospital in Lethbridge. Past Vulcan residents in attendance were Mrs. Charles Mills, R.N. (Lillian Clarkson) of Broadview, Sask., and Mrs. Grant Clark, R.N. (Martha Connors) of Vancouver, B.C. Mrs. Mills then spent the weekend with her sister, Mrs. Harris Matlock, who accompanied her to Calgary Sunday to visit their parents, Mr. and Mrs. M. L. Clarkson.

Mr. and Mrs. Faulkner and family have purchased the house next door to the Zilke home on 2nd street south, and have taken up residence there.

The Vulcan Teen & Twenty Club held a very successful dance at the Vulcan Armouries last Friday with music supplied by the Turbo Chargers.

Mr. and Mrs. Leonard Williams of Arrowwood take pleasure in announcing the forthcoming marriage of their second daughter, Gale Frances to William Fredrick Oakes, son of Fenwick Oakes of Arrowwood. The wedding will take place at the Church of the Brethren, Arrowwood, Saturday, June 5, 1965, at 4:00 p.m. 41-1p

Mr. and Mrs. Victor Earl of Didsbury, Alberta announce the engagement of their third daughter, Charlotte Elsie to Howard Albert Brinton, son of Mrs. Lillian Brinton of Vulcan and the late Wentworth G. Brinton. The wedding will take place on Saturday, June 19, at 3:00 p.m., in the St. Andrews Roman Catholic Church, Vulcan, Alberta. A wedding dance will be held in the evening at the Vulcan Lodge Hall. 41-1nx

Mr. and Mrs. George Kiemle attended the wedding of a granddaughter in Red Deer on Saturday.

Mr. and Mrs. Leonard Williams of Arrowwood take pleasure in announcing the forthcoming marriage of their second daughter, Gale Frances to William Fredrick Oakes, son of Fenwick Oakes of Arrowwood.
